

Shire of
Peppermint Grove

Dear Resident,

RE: CHANGES TO WASTE SERVICES IN PEPPERMINT GROVE

On Wednesday 25th March 2020 the Shire will provide a new lime green lid garden organics (GO) bin to all single residential properties in Peppermint Grove. Units and townhouses will be assessed for suitability on a case by case basis.

Additionally, all existing dark green lid bins will be removed and replaced with a new red lid bin for general waste.

To facilitate the rollout program, please put out your bin for collection as usual on Wednesday 25th March.

Included in this envelope is some important information on how to sort your waste and recycling as well as a calendar of bin collection dates.

Should you have any further questions about this service, please visit our website peppermintgrove.wa.gov.au/waste or call the Shire on 9286 8600.

For questions regarding what goes in which bin, please call the Western Metropolitan Regional Council (WMRC) Recycling Hotline on 9384 6711.

Yours sincerely,

Don Burnett

Chief Executive Officer

We've sorted a better bin system.

Your new three bin waste collection system will be starting March, 2020.
