DAWKINS, Patrick

I was born and raised in Peppermint Grove and after living in other parts I am now living in Hurstford Close with my wife Jo.

My time on the council has been rewarding and, hopefully, productive.

I serve on the audit committee, and I now am the chair of the Cottesloe Village Precinct Structure Plan Steering Committee.

This is an exciting project which will see our Shire and the Town of Cottesloe collaborate in the creation of a vibrant neighbourhood activity centre while preserving the traditional elements of Peppermint Grove that we all value.

I would like to continue to contribute to the council's role of leadership and service to the residents by serving another term. I aim to preserve the historical and lifestyle elements of the shire with a pragmatic approach to progressive planning.

Through strong networks, I have developed a clear understanding of the views and needs of Peppermint Grove residents and an acute appreciation for its lifestyle.

I believe the unique benefits of this location should be celebrated and protected through modern and robust governance practices where all residents can access the multitude of benefits we have.

On your behalf I will collaborate with fellow Councillors to promote sensitive development opportunities within the area, focusing on transparency, while drawing on my corporate governance, and legal skills and experience.

With your support, I will seek to advance the views of residents while ensuring our Shire remains a traditional enclave with an independent point of view in local government.

I look forward to representing you.

I am asking for your support in my quest for the privileged position of Councillor in your Shire.

I have already served 12 years in this position and hope to represent you again for another term.

I have had the pleasure of being a Peppermint Grove resident for over 30 years and have witnessed and been involved in significant changes in that time. This has given me history & experience as valuable resources to draw from when carrying out the role for which I now seek to extend.

I believe resident consultation and strategic planning are the main tools required to grow the well being of our Shire and to defend it against the local & global challenges to come. I intend to use and promote these tools where ever possible to achieve the best outcome for our residents.

Thank you for your time

I first lived in Peppermint Grove in 1987 and have lived or owned property there ever since. I was elected to council in 2009 and have served the community continuously since then. Council elected me Deputy President in 2017. I am a Council's Member on the Western Metropolitan Regional Council, the operator of the Brockway Transfer Station. My children were brought up and schooled locally. My ongoing interests are the ambience and style of Peppermint Grove, particularly the streets, foreshore, laneways and public open spaces like Manners Hill Park. I am very keen that our typically large blocks and associated trees and extensive ground cover are preserved and that domestic infill is restricted. Peppermint Grove is a very desirable suburb which I will endeavor to preserve.
