Election Type	Ordinary

HORREX, Dawne

Having lived in Peppermint Grove almost all my life, I feel passionate about maintaining this wonderful suburb. While we all enjoy the picturesque, natural beauty of this part of the world, we endorse a modern lifestyle.

All my schooling was in the Shire so I identify strongly with the area. My background is in Medical Imaging, specialising in Breast Diagnosis (awarded Life Membership): this makes my sympathies lie strongly with people. I have been heavily involved in local sport - Past President of the Peppermint Grove Tennis Club (awarded Life Membership).

Each Elected Member presently on Council makes totally independent decisions while coming together as a team for the betterment of Peppermint Grove.

I would like to have your endorsement to remain part of this team.
