

09/03/2026

Dear Sir / Madam

NOTIFICATION OF ROADWORKS – THE ESPLANADE

WCP Civil Pty Ltd has been engaged by Shire of Peppermint Grove to undertake road resurfacing and supporting civil works between Leake St and the Council boundary at Bindaring Pde between the following dates:

16 March to 17 April 2026

Works will utilise the April school holidays as much as possible (7am – 5pm), however some work is required prior, during which time working hours will be restricted (8:30am – 2:30pm). To complete the works;

- The Esplanade will be closed between Leake St and Airlie St. Access for local residents will be maintained however detours will be put in place to avoid the closure. To minimise the impact of the detour, when possible, we will look to keep the section between McNeil and Airlie open to traffic. Be aware the traffic management setup may vary from day to day. Traffic controllers will be present to give information to residents and pedestrians.
- Vehicle movements in and out of your property may be delayed we ask that you speak to traffic controllers who will direct you through the work site when it is clear and safe to do so.
- Wednesday bin pickup will be unaffected. On occasion, bins may need to be moved by traffic controllers out of the work area for pickup and then returned.

We appreciate your understanding and cooperation during these works and staff will make every effort to reduce your inconvenience. During periods of roadworks, please allow extra journey time and follow the instruction of traffic management on-site. Should you have any queries regarding the scheduling of these works, please contact;

Richard Ness, WCP Civil Project Manager, 0407 543 745

Should you wish to discuss the project, please contact Shire of Peppermint Grove on 08 9286 8600.

Yours sincerely,

Richard Ness
