- b)** During the Council meeting, after Public Question Time no member of the public may interrupt the meeting's proceedings or enter into conversation.
- c)** Whenever possible, questions should be submitted in writing at least 48 hours prior to the start of the meeting.

The person presiding may shorten or lengthen this time in their discretion.

4.1 RESPONSE TO PREVIOUS QUESTIONS TAKEN ON NOTICE FROM A PREVIOUS MEETING

4.1.1 Question from Jon Fogarty, 6 Bay View Terrace, to the 22 September 2026 meeting dealing with item 8.3 Peppermint Grove Tennis Club Lease.

Q1 Can council please provide any analysis as to the “need” question. As well as revenue expectations, and associated costs, including community costs?

Q1 Answer - The Club has requested approval under its lease with the Shire to consume alcohol. It is seeking a Restricted Club License to be issued under the Liquor Control Act. The Shire understands that the Club is endeavouring to improve its financial sustainability to ensure the Club can manage future operating costs and possible capital improvement projects. The Club does not need to provide the Shire with a summary of the Clubs projected revenue or costs associated with the license.

Q2 Who is expected to attend the restaurant and bar facility over the 6 days to 10pm and 12am?

Q2 Answer – Should the Club get a Restricted Club Liquor License, the license will determine who can purchase alcohol in the clubrooms. Usually this type of license restricts sale to members and guests, with the numbers capped to the capacity of the building. The serving of a meal is not required with this type of license and the Club have not sought to upgrade their kitchen to allow for food preparation to restaurant standard.

Q3 What is the actual benefit of this application to the community?

Q3 – The Club is a community based group, and where possible financial sustainability is a desired outcome. Allowing the Club to grow and improve facilities.

Q4 What message is council sending to our 11yo &12yo &13yo &14yo &15yo &16yo daughters and sons?

Q4 – The Club’s license will require the Club to ensure responsible service of alcohol is adhered to.

The Discussion Paper is publicly available for review

- ***FOGO Haulage – Proposed Self-Haul Business Case***

Council supported the preparation of a detailed business case to evaluate WMRC-operated FOGO self-haul. This will allow a structured assessment of the available haulage options with a view to optimising cost and operational efficiency.

- ***DiCOM Disposal Governance Framework***

Council resolved to endorse a framework that provides a robust, transparent and auditable process for the disposal of plant and equipment associated with the former DiCOM facility. It provides a clear governance structure which will ensure value optimisation and public accountability. This decision follows the decision to exercise rights to remove and dispose of the DiCOM facility and make-good the site.
