DRAFT ORDINARY COUNCIL MEETING AGENDA

1 DECLARATION OF OFFICIAL OPENING

At _____ pm, the Shire President declared the meeting open and requested that the Affirmation of Civic Duty and Responsibility be read aloud by a Councillor and requested the recording of attendance and apologies.

Council recognises that it is permissible to record the Shire's Council and Forum Meetings in the written, sound, vision medium (or any combination of the mediums) when open to the public, however, people who intend to record meetings are requested to inform the Presiding Member of their intention to do so.

The Presiding Member will cause the Affirmation of Civic Duty and Responsibility to be read aloud by Councillor _____.

Affirmation of Civic Duty and Responsibility

I make this Affirmation in good faith on behalf of Councillors and Officers of the Shire of Peppermint Grove. We collectively declare that we will duly, faithfully, honestly, and with integrity fulfil the duties of our respective office and positions for all the people in the district according to the best of our judgment and ability. We will observe the Shire's Code of Conduct and meeting procedures to ensure the efficient, effective and orderly decision making within this forum.

Rules for Council Meeting Public Question Time

- Public Question Time provides the public with an opportunity to put questions to the Council. Questions should only relate to the business of the Council and should not be a statement or personal opinion.*
- During the Council meeting, after Public Question Time no member of the public may interrupt the meeting's proceedings or enter into conversation.*
- Whenever possible, questions should be submitted in writing at least 48 hours prior to the start of the meeting.*
- All questions should be directed to the President and only questions relating to matters affecting Council may be answered at an Ordinary meeting, and at a Special meeting only questions that relate to the purpose of the meeting may be answered. Questions may be taken on notice and responded to after the meeting, at the discretion of the President.*
- The person presiding will control Public Question Time and ensure that each person wishing to ask a question should state his or her name and address before asking the question. If the question relates to an item on the agenda, the item number should also be stated. In general, persons seeking to ask a question will be given 2 minutes within which to address their question to the Council. The person presiding may shorten or lengthen this time in their discretion.*

4.1 RESPONSE TO PREVIOUS QUESTIONS TAKEN ON NOTICE FROM A PREVIOUS MEETING

4.2 QUESTIONS FROM MEMBERS OF THE PUBLIC

4.3 DEPUTATIONS OF THE PUBLIC

5 DECLARATIONS OF INTEREST

Councillors / Staff are reminded of the requirements of section 5.65 of the Local Government Act 1995, to disclose any interest during the meeting when the matter is discussed, and also of the requirement to disclose an interest affecting impartiality under the Shire's Code of Conduct. Councillors / staff are required to submit declarations of interest in writing on the prescribed form.

5.1 FINANCIAL INTEREST

A declaration under this section 5.60 of the Act requires that the nature of the interest must be disclosed. Consequently a member who has made a declaration must not preside, participate in, or be present during any discussion or decision making procedure relating to the matter the subject of the declaration.

Other members may allow participation of the declarant if the member further discloses the extent of the interest and the other members decide that the interest is trivial or insignificant or is common to a significant number of electors or ratepayers.

5.2 PROXIMITY INTEREST

A declaration under this section 5.60 of the Act requires that the nature of the interest must be disclosed. Consequently a member who has made a declaration must not preside, participate in, or be present during any discussion or decision making procedure relating to the matter the subject of the declaration.

Other members may allow participation of the declarant if the member further discloses the extent of the interest and the other members decide that the interest is trivial or insignificant or is common to a significant number of electors or ratepayers.

5.3 IMPARTIALITY INTEREST

Councillors and staff are required (Code of Conduct), in addition to declaring any financial interest, to declare any interest that might cause a conflict. The member / employee is also encouraged to disclose the nature of the interest. The member / employee must consider the nature and extent of the interest and whether it will affect their impartiality. If the member / employee declares that their impartiality will not be affected then they may participate in the decision making process.

5.4 INTEREST THAT MAY CAUSE A CONFLICT

Councillors and staff are required (Code of Conduct), in addition to declaring any financial interest, to declare any interest that might cause a conflict. The member / employee is also encouraged to disclose the nature of the interest. The member / employee must consider the nature and extent of the interest and whether it will affect their impartiality. If the member / employee declares that their impartiality will not be affected then they may participate in the decision making process.

5.5 STATEMENT OF GIFTS AND HOSPITALITY

Councillors and staff are required (Code of Conduct), to disclose gifts and acts of hospitality which a reasonable person might claim to be a conflict of interest. Gifts and acts of hospitality which exceed that amount of prescribed by regulation are to be recorded in the Councils Gift Register.

PURPOSE OF REPORT

Council is informed of the variations to the approved plans at 9 Keane Street, and the request for retrospective planning approval

SUMMARY AND KEY ISSUES

- Original Development Application for Alternations and Additions was received by the Shire on the 23/2/2016 and Approval issued on 2/5/16.
- Building plans have been certified deemed to comply with R Codes and these included revisions to the design associated with windows and a balcony.
- Shire was alerted to the discrepancy between the Approved Plan of 2016 and the completed building works.
- Builder and Applicant confirmed that changes introduced through the building certification of drawings altered windows and openings but that these changes did not alter compliance with LPS 4 and R Codes.
- Shire instructed Applicant to confirm certified compliance with R codes and to lodge a formal request to update the Approved Plan associated with Planning Approval DA015-160
- New submitted plans show three minor alterations to the approved plans, each of which are deemed to comply under the R-Codes.

LOCATION

9 Keane Street, Peppermint Grove

BACKGROUND

The application for Planning Approval for additions and alterations at 9 Keane Street was approved by the Shire on the 2nd May 2016.

CONSULTATION

A neighbour alerted the Shire to changes in design of windows from plans advertised by the Shire for comment and so queried their design compliance with R Codes. Following this enquiry the Shire contacted the builder and applicant to confirm that the revised design has been certified to be compliant with the R Codes.

The applicant has provided evidence of compliance by certified assessment. This addresses privacy impact of the design changes.

The neighbour has been informed of the application to replace the Approved Plan.

STRATEGIC IMPLICATIONS

There are no Strategic Plan implications evident at this time.

POLICY IMPLICATIONS

There are no significant policy implications evident at this time.

STATUTORY IMPLICATIONS

There are no specific statutory requirements in respect to this matter.

FINANCIAL IMPLICATIONS

There are no financial implications evident at this time.

ENVIRONMENTAL IMPLICATIONS

There are no environmental implications at this time.

SOCIAL IMPLICATIONS

There are no social implications at this time.

OFFICER COMMENT

The application addresses the three areas where the development departs from the original set of approved plans and these are summarised as follows:

1. Inclusion of a non-glazed window less than 1m² in area on the second floor.
*In the R-Codes a window of this type is **not** a major opening and therefore meets deemed to comply design.*
2. Section of blade wall added to the north wall.
This wall is setback 44m from the northern boundary, and 2.24m from the western boundary, and this meets deemed to comply design.
3. Alteration to the door frame from full glass sliding door to a full glass fixed window frame.
This meets deemed to comply design as per the R-Codes.

The plans submitted are consistent with the approved building plans. The changes are certified to be deemed design compliant with the R Codes (for the purposes of LPS 4).

The modifications to the design are therefore satisfactory and acceptable to the Shire for the purposes of the request to replace the Approved Plan associated with the Planning Approval.

OFFICER RECOMMENDATION/S – ITEM NO 8.1.1

Council approves for Approved Plan dated October 2018 to be adopted as the replacement for the Approval (DA015-160) for the extensions to the single house at 9 Keane Street, Peppermint Grove with no other changes to the design or conditions of that Approval.

Advice to Applicant

1. The Applicant has provided certification the revised design is compliant with the R Codes.
2. In granting approval for the replacement of the Approved Plans, the Shire recognises this has been necessary to ensure consistency with Building modifications and that it is consistent with the Shire requirement that all works are to be subsequent to the issue of a Building Permit and are to be carried out in accordance with this Permit and consistent at all times with the Planning Approval.

PURPOSE OF REPORT

Council is requested to consider an amendment to the approved plans at 47 Johnston Street Peppermint Grove, to include a garage/storage outbuilding in the north-west corner of the lot.

SUMMARY AND KEY ISSUES

- The amended plans show a building described as a 2-bay boat shed in the north-west corner of the lot, with the northern wall abutting the northern boundary.
- Approval of a boundary wall requires the discretion of Council and the proposal has been referred to the neighbour for review and comment.
- There has been no objection received to the proposal within the comment period.

LOCATION

47 Johnston Street, Peppermint Grove

BACKGROUND

The original Development Application for a single house was received in October of 2017 and approved in November of the same year (DA2017/00009). The new application is to construct an outbuilding with one wall along the northern boundary abutting 56 View Street for the purposes of boat storage. There is an existing boundary wall to which this proposal will abut. The non-habitable building does not impact the approved house and does not increase the plot ratio above the Scheme requirement of 0.5.

CONSULTATION

The land owner at 56 View Street (adjoins to the north) was contacted and invited to view plans and provide comments. The neighbour viewed the plans and did not object.

STRATEGIC IMPLICATIONS

There are no Strategic Plan implications evident at this time.

POLICY IMPLICATIONS

There are no significant policy implications evident at this time.

STATUTORY IMPLICATIONS

Local Planning Scheme No.4

The proposal complies with relevant Scheme provisions, Residential Design Codes and Scheme Policies with the exception of those outlined in the table below.

<u>RESIDENTIAL DESIGN CODES</u>	
Acceptable Development/Performance Criteria	Assessment/Comment
1. 0.5 Plot Ratio	Acceptable -Refer to officer comment

FINANCIAL IMPLICATIONS

There are no financial implications evident at this time.

ENVIRONMENTAL IMPLICATIONS

There are no environmental implications at this time.

SOCIAL IMPLICATIONS

There are no social implications at this time.

OFFICER COMMENT

Approval DA2017/00009 granted approval for a two storey single house on Johnston Street Peppermint Grove. The house is nearing completion and this proposal adds an outbuilding for boat storage purposes to the approved plans.

The building is described as a 2-bay boat shed (similar to a garage) and is located in the north-west corner of the lot, abutting the northern boundary and relying on the laneway for access. The outbuilding was assessed as having an acceptable impact on the laneway thoroughfare.

Existing development on the abutting lot includes a boundary wall and so the outbuilding is deemed to comply under the R-Codes (5.1.3 C3.2 (i)) where the wall abuts an existing or simultaneously constructed wall of similar or greater dimension.

The abutting neighbour at 56 View Street was contacted and invited to view plans and make comment prior to Council assessment. The owners of 56 View Street viewed the plans, however no written comments have been received.

The effect of the proposed outbuilding is that it removes area from what was garden space.

This may be considered to affect the plot ratio because although the R-Codes definition of plot ratio area would exclude a non-habitable outbuilding from the calculation, LPS 4 does not contain this definition however, and so some discretion is required to be exercised by the Council in considering approval.

Assuming the outbuilding is to be excluded from calculation the overall plot ratio for the site is 0.495 which is just under the LPS 4 limit of 0.5.

LPS 4 defines plot ratio to “*mean(s) the ratio of the floor area of a building to an area of land within the lot boundaries of the lot or lots on which the building is located*”. This does not discriminate between habitable or non-habitable spaces or between outbuildings or the main house structure.

Considering the objectives to provide for orderly and proper planning and to provide for high quality amenity and streetscapes it is recommended that the boat storage be approved because the storage of boats out of sight and away from the street will result in better design outcomes for the neighbourhood.

In addition it is considered that a boundary wall will reduce the footprint of the outbuilding onto the remaining garden area and so, on this basis the application is recommended for approval.

OFFICER RECOMMENDATION/S – ITEM NO 8.1.2

Council approves the development of a storage outbuilding at 47 Johnston Street in accordance with the submitted plans (32473) and dated January 2019 to supplement Approval (DA2017/00009) and to be subject to the same conditions of that Approval and an additional conditions to be applied to the Approval:-

- 1. All works are to be subsequent to the issue of a Building Permit and to be carried out in accordance with this Permit and consistent at all times with this Planning Approval.**
- 2. Works associated with implementing the outbuilding shall be completed within two (2) years of the date of this decision.**

PURPOSE OF REPORT

To report on financial activity for the period 1 July 2018 to 28 February 2019.

SUMMARY AND KEY ISSUES

- The financial report for the eight months ended 28 February 2019 indicates a YTD surplus some \$245,881 more than YTD budget – see Officer Comment note 7 for additional information;
- Operating revenue is some \$125,520 more than YTD budget (note: the budget is yet to be amended to reflect an additional grant of \$103,300);
- Operating expenditure (to date but subject to outstanding invoices not yet received) is some \$92,036 less than YTD budget;
- Capital expenditure totalling 227,238\$ has been incurred.

CONSULTATION

There has been no specific consultation undertaken in respect to this matter.

STRATEGIC IMPLICATIONS

There are no strategic plan implications evident at this time.

POLICY IMPLICATIONS

There are no significant policy implications evident at this time.

STATUTORY IMPLICATIONS

There are no specific statutory requirements in respect to this matter.

FINANCIAL IMPLICATIONS

The financial report forecasts a closing (30 June 2019) surplus of \$78. This figure appears in the yellow column in the attached financial report.

ENVIRONMENTAL IMPLICATIONS

There are no environmental implications evident at this time.

SOCIAL IMPLICATIONS

There are no social implications evident at this time.

OFFICER COMMENT

The following comments relate to year-to-date (YTD) budget versus actuals variances or forecasts that vary from the full year estimate that are greater than \$10,000.

(1) Rates

Some \$16,400 worth of interim rates have been raised during the year (with the budget forecasting \$5,000). As a result, general purpose funding from rates is some \$16,180 more than expected at this time.

(2) Grants and Subsidies

The \$103,300 grant for the Swan River headland and associated works has already been brought to account (following execution of the funding agreement). The 2018/19 budget will be amended at this meeting to reflect this revenue plus the matching contribution by Council (from the infrastructure cash reserve) and the revised capital budget allocation of \$206,600.

(3) Contributions and Reimbursements

Additional reimbursements for paid parental leave and workers compensation payments have yet to be reflected in the revised budget

(4) Materials and Contracts

Materials and contracted expenses are some \$77,268 less than expected at this stage. This relates to timing variances only with many January and February invoices yet to be received.

(5) Public Utilities

Expenditure on electricity and water remains slightly less than anticipated but much of the \$10,180 underspent relates to the timing of utility invoicing.

(6) Plant CAPEX and Proceeds from Disposal of Assets

Replacement of the Manager, Development Services vehicle has been delayed pending completion of the workforce plan.

(7) Net Current Assets Year-to-Date

Net current assets as at 28 February 2019 exceed the revised budgeted figure by some \$245,881 at this stage. This is determined as follows:

Category	Impact on YTD Position	Notes
Revenue		
Rates	\$16,181	Interim rating raised
Fees & Charges	(\$60)	Timing variance
Grants & Subsidies	\$103,800	Unexpected grants
Contributions & Reimbursements	\$21,317	Additional reimbursements
Interest on Investments	(\$1,133)	Timing of maturing term deposits
Other Revenue	\$1,597	Interest on outstanding rates
Proceeds of sale of assets	(\$29,682)	Trade-in values slightly lower
Expenditure		
Employee Costs	(\$809)	Timing variance
Materials & Contracts	\$77,268	See note (4) above – timing related
Utilities	\$10,180	Timing of/savings in electricity expenses
Insurances	(\$53)	Premiums slightly higher
Other Expenses	\$5,450	Savings in Council member allowances
Plant & Equipment Purchases	\$33,376	Skoda yet to be replaced
Road Infrastructure	\$5,209	Savings on The Esplanade project
Drainage Infrastructure	\$4,677	Savings in cost of sump fence
T'fers to Cash Reserves	(\$1,437)	Additional interest earned
Value of YTD variances at 28.2.19	\$245,881	Year-end forecast surplus is \$78

Once the 2018/19 budget is amended to reflect the \$103,300 riverwall grant the difference between YTD Budget and YTD Actuals will narrow to \$245,881 - \$103,300 = \$142,581. Allowing for outstanding invoices and identified minor savings the forecast end-of-year surplus (at this time) is \$78.

OFFICER RECOMMENDATION/S – ITEM No. 8.4.1

PURPOSE OF REPORT

To consider and adopt further amendments to the 2018/19 budget (following a review last year).

SUMMARY AND KEY ISSUES

- The 2018/19 annual budget review builds upon a previous review of the budget in the current financial year;
- The review seeks to allocate further surplus funds as well as introducing one new major capital project (construction of a new headland along the river foreshore following a successful grant application and deferral of another in favour of a continuation of footpath renewal works.

BACKGROUND

The Rivers and Estuaries branch of the Dept. of Biodiversity, Conservation and Attractions has entered into a grant agreement with Council to fund around half the cost of a headland extension to the Swan river-wall. It should be remembered that funds were transferred to the building/infrastructure cash reserve last year to fund Council's half share of the project in anticipation of this grant becoming available. It is these funds that are proposed to be transferred to this year's capital budget.

A number of other budget amendments are proposed including:

- Equal contributions for the three library-participant local governments to fund a building asset management plan covering the library, community centre, Shire office and adjacent structures as well as contributions towards the cost of legal advice on a proposed replacement management agreement;
- Allocation of additional rate revenue to fund several minor projects including a conservation strategy for the Manners Hill Park Pavilion, a traffic review and an information and communication technology plan;
- A lesser transfer to the art and culture cash reserve to cover the cost of artworks purchased in 2018;
- Deferral of the Hobbs Place project and transfer of its \$120,000 budget to enable the continuation of footpath renewal works in accordance with the recent footpath condition assessment undertaken by Council's asset management consultant;
- Re-allocation of the balance of the expected closing year surplus to finalise the implementation and training for the new Office 365 Records Management system (further records migration expenses of around \$15,000 will be incurred in 2019/20);
- Other additional revenue (reimbursements and investment interest) and expenditure savings will offset other unexpected expenses.

CONSULTATION

Consultation with senior officers has been undertaken in respect to this matter.

STRATEGIC IMPLICATIONS

OFFICER COMMENT

This budget review has excluded savings in waste collection and disposal costs for the time being.

It is intended to re-introduce the waste options paper from November 2018's concept forum to the April 2019 concept forum to enable further consideration of the issues surrounding waste disposal, particularly following further clarification from the State Government around the implementation of its draft *Waste Strategy 2030*.

In addition, the issues paper will look closely at changes to waste collection costs as well as opportunities for further savings from bin number and route rationalisation as well as the impact of the State Government's preferred three-bin system.

OFFICER RECOMMENDATION/S – ITEM No. 8.4.3

That Council adopts the review of the 2018/19 budget with the variations listed above and amends the budget accordingly.

Section 5.65(1) of the Local Government Act 1995 states that:

FINANCIAL & PROXIMITY INTERESTS

A declaration under this section 5.60 of the Act requires that the nature of the interest must be disclosed. Consequently a member who has made a declaration must not preside, participate in, or be present during any discussion or decision making procedure relating to the matter the subject of the declaration.

Other members may allow participation of the declarant if the member further discloses the extent of the interest and the other members decide that the interest is trivial or insignificant or is common to a significant number of electors or ratepayers.

DISCLOSURE OF INTEREST THAT MAY CAUSE A CONFLICT

Councillors and staff are required (Code of Conduct), in addition to declaring any financial interest, to declare any interest that might cause a conflict. The member / employee is also encouraged to disclose the nature of the interest. The member / employee must consider the nature and extent of the interest and whether it will affect their impartiality. If the member / employee declares that their impartiality will not be affected then they may participate in the decision making process.

“A member who has an interest in any matter to be discussed at a Council or Agenda Briefing Forum meeting that will be attended by that member must disclose the nature of the interest”:

- (a) In a written notice given to the CEO before the meeting; or*
- (b) At the meeting immediately before the matter is discussed.*
