5 DECLARATIONS OF INTEREST

Councillors / Staff are reminded of the requirements of section 5.65 of the Local Government Act 1995, to disclose any interest during the meeting when the matter is discussed, and also of the requirement to disclose an interest affecting impartiality under the Shire's Code of Conduct. Councillors / staff are required to submit declarations of interest in writing on the prescribed form.

5.1 FINANCIAL INTEREST

A declaration under this section 5.60 of the Act requires that the nature of the interest must be disclosed. Consequently a member who has made a declaration must not preside, participate in, or be present during any discussion or decision making procedure relating to the matter the subject of the declaration.

Other members may allow participation of the declarant if the member further discloses the extent of the interest and the other members decide that the interest is trivial or insignificant or is common to a significant number of electors or ratepayers.

5.2 PROXIMITY INTEREST

A declaration under this section 5.60 of the Act requires that the nature of the interest must be disclosed. Consequently a member who has made a declaration must not preside, participate in, or be present during any discussion or decision making procedure relating to the matter the subject of the declaration.

Other members may allow participation of the declarant if the member further discloses the extent of the interest and the other members decide that the interest is trivial or insignificant or is common to a significant number of electors or ratepayers.

5.3 IMPARTIALITY INTEREST

Cr P Dawkins – Item 8.5.1 Toilet Demolition Freshwater Bay Foreshore Toilets

The nature of the interest being that he is a member of the Rowing Club which controls the boatshed.

Cr C Hohnen – Item 8.5.2 Resident Access Pass (WMRC)

The nature of the interest being that he is a member of WMRC

5.4 INTEREST THAT MAY CAUSE A CONFLICT

Councillors and staff are required (Code of Conduct), in addition to declaring any financial interest, to declare any interest that might cause a conflict. The member / employee is also encouraged to disclose the nature of the interest. The member / employee must consider the nature and extent of the interest and whether it will affect their impartiality. If the member / employee declares that their impartiality will not be affected then they may participate in the decision making process.

5.5 STATEMENT OF GIFTS AND HOSPITALITY

Councillors and staff are required (Code of Conduct), to disclose gifts and acts of hospitality which a reasonable person might claim to be a conflict of interest. Gifts and acts of hospitality which exceed that amount of prescribed by regulation are to be recorded in the Councils Gift Register.

PURPOSE OF REPORT

To report on financial activity for the period 1 July 2019 to 31 March 2020.

SUMMARY AND KEY ISSUES

- **Total Operating** revenue is \$32,000 or 2% less than the year to date budget
- **Total Operating expenditure** is some \$145,000 less than the year to date budget and mainly due to other expenses under spent for the period and depreciation to be raised for the period.
- Capital expenditure- This is some \$350,000 less than the year to date budget and mainly due to the works for Johnston street and plant not yet purchased.

CONSULTATION

There has been no specific consultation undertaken in respect to this matter.

STRATEGIC IMPLICATIONS

Objectives within the Governance section of the Strategic Community Plan

POLICY IMPLICATIONS

Shire of Peppermint Grove Financial Management Policies

STATUTORY IMPLICATIONS

Local Government Act 1995

Local Government (Financial Management) Regulations 1996

FINANCIAL IMPLICATIONS

The financial report for March 2020 shows the current net assets (surplus) of \$776,750.

ENVIRONMENTAL IMPLICATIONS

There are no environmental implications evident at this time.

SOCIAL IMPLICATIONS

There are no social implications evident at this time.

OFFICER COMMENT

The following comments relate to year-to-date (YTD) budget versus actuals variances or forecasts that vary from the full year estimate that are greater than \$10,000.

(1) Grants and Subsidies- (\$56,000)

Grants and subsidies revenue was \$103,000 less than the budget however we received a prepayment from the Metropolitan Roads Grant of \$57,000. This resulted in a variance of \$56,000 less than the year to date budget. The grant of \$103,000 is corrected in the revised budget.

(2) Contributions and Reimbursements - \$28,000

The year to date actual is some \$28,000 more than the budget and this relates to funds transferred from the trust fund of \$15,000 as well as a recoup of costs associated with property clearing of \$5,000. The balance of \$8,000 relates GST corrections for contributions for the library from the previous year.

(3) Materials & Contract

This year's actual expenditure is some \$131,000 less than the year to date budget and relates to the projects not being completed or under expended. eg Cottesloe Activity Centre \$45,000, and waste recycling of \$36,000 (invoice not yet received in March), other expenditure of \$50,000.

(4) Other Expenses

The year to date budget is some \$11,000 more than the actual amount and relates to the payment of the other costs.

OFFICER RECOMMENDATION/S – ITEM NO. 8.4.1

That Council receive the monthly financial report for the period 1 July 2019 to 31 March 2020.

PURPOSE OF REPORT

The Shire has an old set of toilets on the foreshore near the Scotch College Boatshed. The toilets have been closed for public use for many years and are not fit for use. This report recommends demolition.

SUMMARY AND KEY ISSUES

- Public toilets were constructed on the foreshore near the Scotch College boatshed
- They have not been open for public use for many years
- Scotch College have used them for students undertaking rowing
- They are not suitable for use and it is recommended they be demolished.

LOCATION

Foreshore near Scotch College boatshed

BACKGROUND

Public toilets were constructed at this site circa 1960's. They have not been open to the public for many years but have been used on a key system by Scotch College for students attending rowing in the adjoining boatshed. A recent building condition report has shown the building needs significant renovation to bring it up to standard or it should be demolished. The current site is not suitable for a public toilet. It is isolated, has limited lighting and has no passive visual surveillance. Public toilets should be in the open without opportunities for anti-social behaviour or opportunities for crime. This site does not provide any safety for potential users.

There has been discussion with Scotch College over the School taking over responsibility and upgrading the building, however they have declined this offer and are aware that this report is recommending demolition.

CONSULTATION

There was consultation with Scotch College and the Department of Biodiversity, Conservation and Attractions (DBCA). DBCA were seeking the Shire to renovate the building to compliment the proposed upgrade of the Scotch College boatshed. DBCA were advised that this report was recommending demolition.

STRATEGIC IMPLICATIONS

There are no strategic plan implications evident at this time.

POLICY IMPLICATIONS

There are no significant policy implications evident at this time.

STATUTORY IMPLICATIONS

There are no significant statutory implications evident at this time.

FINANCIAL IMPLICATIONS

The demolition of the building is estimated \$7000 and a further \$8000 for decommissioning septic tanks etc. These funds would be incorporated in the 2020/21 draft budget.

ENVIRONMENTAL IMPLICATIONS

The site would be revegetated, and the septic tanks removed.

SOCIAL IMPLICATIONS

There are no social implications at this time.

OFFICER COMMENT

These public toilets have not been available to the public for many years, are not in a suitable location for public toilets and it is not considered warranted to renovate them. It is recommended that they are demolished and the site revegetated.

OFFICER RECOMMENDATION/S – ITEM NO 8.5.1

That Council agree to the demolition of the public toilets located at Freshwater Bay Foreshore toilets (near the Scotch College Boatshed) and make provision in the draft 2020/21 budget of \$15,000 to complete the demolition and site revegetation.

PURPOSE OF REPORT

The Western Metropolitan Regional Council (WMRC) manages the disposal of waste for member local governments, with the Shire being one of the members. It also operates the West Metro Recycling Centre (transfer station) for residents to bring general waste, greenwaste, and other waste for disposal. The WMRC is endeavouring to standardise the arrangements each of the members have for the residents to access the transfer station.

SUMMARY AND KEY ISSUES

- The transfer station is used by residents of the member Councils with varying conditions for passes and payments for residents as determined by each local government.
- There is a significant level of use by non-members local government residents with these local governments not contributing to the running of the site
- WMRC is negotiating with 2 non member local governments about a contribution to the running costs of the transfer station.
- In the event arrangements can't be made with the tow local governments, the WMRC is proposing to introduce a Resident Access Pass, also known as "tip passes", to gain entry into the transfer station.

LOCATION

N/A

BACKGROUND

The current arrangements for Shire residents are that each property can have one set of tip passes per year incorporated with in their rates. Each tip pass comprises 2 mixed/general waste and 3 green waste passes. This could mean 5 visits per pass to the transfer station. If a resident wants an additional set of passes, these are purchased from the Shire for \$100. There only is a limited number, around 2 per year of additional passes sold.

When the passes are presented to the transfer station, the Shire is then invoiced at the rate of \$40 per general waste pass and \$20 per green waste pass. The 2019/20 budget for this expense is \$15,000.

CONSULTATION

There was no consultation in drafting this report.

STRATEGIC IMPLICATIONS

There are no strategic plan implications evident at this time.

POLICY IMPLICATIONS

There are no significant policy implications evident at this time.

STATUTORY IMPLICATIONS

There are no significant statutory implications evident at this time.

FINANCIAL IMPLICATIONS

These are no significant financial implications evident at this time.

ENVIRONMENTAL IMPLICATIONS

There are no environmental implications at this time.

SOCIAL IMPLICATIONS

There are no social implications at this time.

OFFICER COMMENT

The WMRC is negotiating with non-member local governments of Cambridge and Nedlands in an attempt to get these local governments to pay a fair and reasonable amount towards the service their residents are receiving at no cost. The attached WMRC report provides background to the tip pass proposal.

There is a possibility that the tip passes arrangements will be introduced by the WMRC unless a suitable financial arrangement is in place for access to the site for Cambridge and Nedlands residents.

It is considered that with the introduction of the GO bin service, the level of use for the green waste passes will diminished, so it is proposed that each property could be allocated 2 general and 2 green waste passes per annum at no cost. The passes would be incorporated with the rate notices, which is standard practice for many local governments. This arrangement may not be required if the WMRC reaches agreement with the City of Nedlands and the Town of Cambridge.

OFFICER RECOMMENDATION/S – ITEM NO 8.5.2

That Council, should the WMRC implement resident access passes to the West Metro Recycling Centre, provide two general waste and 2 green waste passes in each residential property rate notice.

PURPOSE OF REPORT

The Shire of Peppermint Grove regularly receives and produces information for receipt by the Elected Members. The purpose of this item is to keep Elected Members informed on items for information received by the Shire.

The Matters for information report will be presented at each Council meeting and will provide an update on a number of areas of the Shire's operations and also provide information and correspondence of interest to elected members.

It is intended that the following information is provided on a regular basis, either monthly or quarterly, noting some of this data is still to be collected in a presentable format.

- Building permits issues
- Demolition permits issued
- Advisory notes from WALGA, DLG&C or other stakeholders
- WESROC Mayor/President forum notes
- WALGA Zone minutes
- WALGA State Council minutes
- Seal register advising of when the Shire seal has been applied
- Shine statistics
- Infringements for parking/dogs etc
- Waste and recycling data
- Library statistics

SUMMARY AND KEY ISSUES

The following reports are presented to Council at the Ordinary Council Meeting of February 2020:

1. Building Permits Issued
2. Planning Approvals Issued
3. Infringements Issued
4. Seal Register – Goods and Services Contract for cleaning tender between the Shire and Iconic Property Services.

CONSULTATION

No community consultation was considered necessary in relation to the recommendation of this report.

PURPOSE OF REPORT

COVID 19 will have a significant impact on a number of businesses and to some ratepayers within the Shire. This report deals with a number of options Council can consider providing assistance to the businesses and ratepayers experiencing financial hardship due to COVID 19.

SUMMARY AND KEY ISSUES

- The financial impact of an assistance package in response to the COVID19 pandemic for the periods:-
- 1 April to 30 June 2020, which will impact on the current budget; and
- 1 July to 30 September 2020, which will need to be budgeted for in the upcoming 2020/21 budget.
- Most of the package is aimed at small business and community groups.
- Adoption of Financial Hardship Policy 3.9
- The economic impact of COVID 19 is expected to continue well past the lifting of any trading restrictions imposed by the government

LOCATION

N/A

BACKGROUND

COVID 19 has an impact in a number of areas of society. This includes health, community wellbeing due to travel restriction and self-isolation and the financial impact due to loss of trade for businesses, loss of employment or income for individuals.

This report considers the financial impact on ratepayers, small businesses and community groups in the Shire. A COVID 19 Assistance package has been developed to provide assistance in areas that the Shire can tangibly be of assistance. The package will only be applicable to businesses operating in the Shire and to ratepayers with property in the Shire

In addition to the concessions, Council can consider the adoption of a Financial Hardship Policy prepared by WALGA and is attached for Councillors information.

CONSULTATION

Consultation has taken place with the owners of Cottesloe Central Shopping Centre, some of the traders in the centre and several community groups.

STRATEGIC IMPLICATIONS

Objectives within the Governance section of the Strategic Community Plan

POLICY IMPLICATIONS

Shire of Peppermint Grove Financial Management Policies

STATUTORY IMPLICATIONS

Clause 6.47 of the Local Government Act 1995

6.47. *Concessions*

Subject to the Rates and Charges (Rebates and Deferments) Act 1992, a local government may at the time of imposing a rate or service charge or at a later date resolve to waive a rate or service charge or resolve to grant other concessions in relation to a rate or service charge.*

** Absolute majority required.*

Clause 5.63 of the Local Government Act allows elected members to consider setting rates and determining fees and charges exempting elected members from the need to declare an interest in the setting of rates and charges.

FINANCIAL IMPLICATIONS

The following is an estimated financial impact of the current financial year and the 2020/21 financial year: -

Phase 1 - 1 April to 30 June 2020

The assistance package will provide some concessions to the following businesses and community groups: -

1. Food License- refund food licenses for those businesses (small business) closed or impacted. Estimated concession \$3,000 to the 31 December 2020.
2. Overdue book charges -suspend overdue book charges to 30 September 2020, estimated concession to 30 June 2020 \$1500.
3. West Coast Community Centre (WCC) MOU. Suspend WCC MOU payment to 31 December 2020. Cost to 30 June \$2250.
4. Chapter I, library café. Suspend lease fee to 30 September. Cost to 30 June \$2046.
5. Peppermint Grove Tennis Club. Refund of lease fee for bore contributions to 30 September and refund of 3 months rates (1 April to 30 June). Cost to 30 June \$1282.
6. Rates – suspend interest charges for all instalments and overdue rates from 1 April. Estimated cost to 30 June \$1550.
7. Cottesloe Central Shopping Centre commercial rates –Tenancies in the centre appear to be the most impacted of the small businesses in the Shire due to their food service or social contact nature of their businesses. There are two categories of business impact: -
 - a. businesses closed due to the State Government directive- if the businesses rate were refunded for 3 months to 30 June, it is estimated the amount of concession would equate to would be \$9000.
 - b. businesses that are trading but at a reduced level could be eligible for a 30% refund of rates for the 3-month period. This would be approximately \$4500 for the 3 months period. Eligibility would be subject to the hardship policy.
8. Rates – other businesses – Outside of the Cottesloe Central, the Shire has other rated properties that have been affected. A concession could be considered as the

food and beverage operations for properties that have been closed. The Governments Code of Conduct for commercial leases could be the basis of determining eligibility or Jobkeeper eligibility if an owner of the property is running the business. Support would be determined on a case by case basis with eligibility to a refund in accordance with hardship policy. A provisional amount of \$14,000 would be allowed for.

Total cost of initiatives 1 – 8 above for this financial year would be \$39,000. This could be met from the projected 30 June surplus with no impact on the current financial year. It is pointed out that the initiatives to do with the Grove Library, overdue book fees, West Coast Community Centre MOU fee and Chapter 1 lease fees impact on the Towns of Mosman Park and Cottesloe, as these two local governments meet 90% of the library operating shortfall.

Phase 2 - 1 July to 30 September (to 31 December for some entities)

It is not clear when normal business operations will start for some businesses and even if they restart in the coming months it could be a substantial period before a financial norm is reached. The next phase of the COVID 19 Assistance page is to continue with the initiatives introduced for phase 1. For community groups the support period is pushed out to 31 December to provide additional recovery time.

- 1 Continue to suspend overdue library book fees to 30 September, \$1500. This will be incorporated into the 2020/21 library budget, which is jointly considered by the 3 member Councils of the Shire and the Towns of Mosman Park and Cottesloe.
- 2 Westcoast Community centre suspend MOU to 31 December, cost - \$4500. This will be incorporated into the 2020/21 library budget, which is jointly considered by the 3 member Councils of the Shire and the Towns of Mosman Park and Cottesloe.
- 3 Chapter 1 café. Suspend lease fees to 31 December, cost - \$4100. This will be incorporated into the 2020/21 library budget, which is jointly considered by the 3 member Councils of the Shire and the Towns of Mosman Park and Cottesloe.
- 4 Peppermint Grove Tennis Club. Suspend charge and rates rebate to 31 December, cost - \$2560.
- 5 Rates suspend instalment charges and overdue interest and instalment interest for full year. Lost revenue around \$20000.
- 6 Rates – rebates for small businesses for 3 months to 30 September, provisional allowance of \$30000. Eligibility is subject to the Shire's Hardship Policy
- 7 Building license, to encourage development, 50% of the building license fee refunded if the slab or major works commenced with 6 months of the building license issued. Estimated cost \$5000

Total cost of phase 2 to the 2020/21 budget as above estimated at around \$68,000. The draft budget would also have an additional \$20,000 as a further contingency.

A budget line item for COVID 19 Assistance with a budget of \$88,000 would be established in the 2020/21 budget to track the level of support provided.

ENVIRONMENTAL IMPLICATIONS

There are no environmental implications evident at this time.

SOCIAL IMPLICATIONS

The COVID 19 pandemic has impacted the day to day movement of people and the financial hardship on the commercial sector. The Community services such as support for our seniors and health affected members of our community, events, functions, social outings and family unions have been considerably impacted by the pandemic. This also impacts on the health and wellbeing of the members of our community and their families and it continues to impact on their mental health.

It is anticipated that over the coming weeks and months society and business will be able to return normal life and trading, however it is anticipated that many businesses will continue to suffer as trade may not return to pre COVID levels. It is expected that this will have a negative effect on business and citizens impacted in these areas. The proposed hardship policy will provide some leeway in 2002/21 to help residents impacted to navigate through these difficult times.

OFFICER COMMENT

The Financial Implications of this report clearly set out what Council is proposing. Council will have a contingency if required to address any further developments not currently apparent.

The State Government has also advised Local Governments that it expects each local government to adopt a “zero rate increase and no increases in fees and charges”. The 20/21 year is scheduled to be a revaluation year for metropolitan local governments. The sector has requested the State Government to defer this for 12 months, as a revaluation year can cause community confusion. If there was no revaluation, it would have been very simple for the rate in the dollar for rate setting not to change and the rates for 20/21 would have been the same as 19/20. With a revaluation, the issue will be the variations to individual property values. It is anticipated that the new valuations will see a decrease in Gross rental Values (GRV) across residential and commercial values. In order to achieve a zero gross rate revenue position, the rate in the dollar for rate setting will need to increase. If there is an increase in the gross GRVs, then the rate in the dollar would decrease to achieve the zero gross rate revenue.
